National Officer

Carter Howell

National FFA Southern Region
Vice President

From Lithia, Florida, Carter was not born into an agricultural operation, but went looking for a place to belong and joined FFA. He served as the 2021-22 Florida FFA State Secretary and then became a Jackrabbit, attending South Dakota State University, studying agricultural business and business economics. He serves as the National FFA Southern Region Vice President, as an

advocate and a voice for American agriculture and those FFA members actively engaged in agriculture, as well as for those just finding their place. "FFA is for all," Carter says, "because agriculture is for all!"

Keynote Speaker

A'ric Jackson

For over a decade, people have been inspired and motivated by the words of Mr. A'ric Jackson. His mission is to Teach, Inspire, and Encourage all those who hear him, and to take the challenge of helping others pursue their goals and dreams. A charismatic and genuinely heartfelt communicator, A'ric truly electrifies an audience.

Watching him speak on stage helps you realize why he is such a unique and gifted orator. For it takes a genuine speaker to present information with shared experience, passion to research a topic much deeper, and to share that information with the audience using skills that will make it a memorable and exciting experience for all.

A'ric has served as a student leadership speaker for organizations like FBLA, HOSA, DECA, FCCLA, National Association of Secondary School Principals LEAD Conferences, and many statewide Student Council Conferences.
