PURPOSE TO ACTION

South Dakota FFA Foundation, Inc
Annual Report
July 1, 2016 – June 30, 2017

President's Message

Recall the Creed

As we look back on 2016-2017 we might say it was one of the most unusual in history, it was a year of changes and extremes, world wide, nation wide and state wide. The agricultural industry faces changes and extremes nearly every day but this year was a bit more extreme than most, especially in South Dakota. We saw commodity price fluctuations, and both very wet and very dry conditions across the state.

Changes and extremes are hard, but it's these times that make the agricultural industry stronger. We adjust our production and business practices, we try new things and most importantly we support each other in times of need. The financial and emotional support we've seen across the country this year within the Ag industry has been inspiring and something you won't see in most other industries.

So many parts of the FFA Creed rang true within this year – take a moment to recite in your head or if you can't recall, find it online and read it again, no matter our age or even current occupation the creed has valuable meaning and inspiration.

Despite this trying year the South Dakota FFA Foundation saw another record breaking year of contributions, in fact it was our best in history. Contributions of \$388,855.45 will make a huge impact on our South Dakota FFA members, the FFA program and the Ag industry. Your support will help our youth to grow, learn and whichever career path they choose their experiences in the FFA will help them to succeed.

Whether you provided financial, in-kind or contribute your time to the South Dakota FFA Foundation, we take this time to send a sincere Thank You for your investment in our youth. As a foundation board and staff we appreciate your continued support and will work to make your investment have its greatest return.

As we reflect on the past year and look to the future, keep the words of the FFA Creed in your heart and strive to live them each day.

Sincerely,

Sandy Osterday

SD FFA Foundation Board President

Our Mission

The South Dakota FFA Foundation, Inc. is a non-profit organization that generates financial support for the 4,200 plus South Dakota FFA members in 84 high school programs. Through the South Dakota FFA Foundation, we help fund leadership development programs and activities for all South Dakota youth in agriculture education, as well as scholarships and awards for successful FFA members.

Our actions:

- **Raised** a record \$388,855.45 through corporate & private financial contributions
- **Started** two new ag programs in South Dakota
- **Continued our 1st capital campaign**
- **Advocated** for agriculture with new technology exhibits at the **FFA Ag Adventure Center** at the state fair.
- **Received** numerous in kind donations benefiting our events
- **Provided** state fair programming, district officer training, summer leadership retreats, State Leadership Career Development Events, state officer travel to chapters, state convention programming, and funds for instructor training
- **Presented** 236 FFA members their own FFA jackets
- **Awarded** 25 scholarships to graduating seniors, and student teachers
- **Granted** chapters five community service grants for local projects
- **Recognized** outstanding Supervised Agriculture Experience programs, outstanding teachers, champion teams advancing to nationals, Washington Leadership Conference attendees
- **Hosted** beginning teacher conference, alumni events, professional teacher development conference, iTeach U - a recruitment event for high school students considering agriculture education as a career
- **Connected** students with industry career opportunities and leadership development activities around the globe, building their leadership skills

Thank You!

There are so many great causes to support. **We are very grateful you chose the SD FFA Foundation.** Without you we cannot accomplish our mission, but with you we can!

As a donor you **TRANSFORMED** our **purpose** into action, allowing us to provide great opportunities, transforming SD youth!

Why should you invest?

“We are proud to sponsor the South Dakota FFA because we share a lot of the same values and goals. FFA makes a positive difference in the lives of South Dakota’s youth by developing their potential for leadership, personal growth and career success through agricultural education.”

Karla Hofhenke, Executive Director, South Dakota Farmers Union

“Our support of the SD FFA represents a combination of three important beliefs for us: first, our respect for the integrity of the land, our soils and water; second, the imperative to provide educational opportunities for understanding and the wise use and care of the land; and third, faith in the process of developing knowledgeable custodians for the future.”

Cathie & LeRoy Draine, Pleased to be able to support FFA

“The NRCS is a proud supporter of the FFA. We believe this generation of farmers, ranchers, and all agriculturalists can have the largest impact on the health and productivity of our soils. Healthy soils will allow the US to continue to provide food for the world.”

Jeff Zimprich, State Conservationist, USDA Natural Resources Conservation Service
