South Dakota FFA
Foundation

Chairman's Report - Sandy Osterday

3243 South Dakota youth ~ that is the number of FFA members helped just this year with your donation to the South Dakota FFA Foundation. The Foundation provides funding for all state level events, as well as for students who earn the opportunity to compete at the national level. Each and every South Dakota FFA member benefits from your generous contribution. You are helping build the future of agriculture in our state, country, and even world-wide as these members become production and agri-business professionals. Some may not choose agricultural careers, but the skills and leadership they learn through the FFA will help them in whatever career path they choose.

Feel pride in knowing you made a difference in the lives of students, giving them a chance to be involved in the many opportunities the FFA offers, and inspiring them to achieve their infinite potential.

Please review this report and know all of us serving on the board as well as the state staff take pride in our responsibility - to facilitate the funds in the manner most beneficial to the FFA organization.

On behalf of the Foundation board, thank you for your support. We look forward to our continued relationship of working together to provide South Dakota FFA members outstanding opportunities to grow into the next generation of agriculture's leaders.

Sincerely,

Sandy Osterday

South Dakota FFA Foundation board president
