“I will never forget the first time I zipped up my FFA jacket that was sponsored by the Blue Jackets program. In that moment, a door of endless opportunities opened for me and it made my very excited to be a part of an organization that was more than just myself. In that blue jacket, I learned life lessons and made connections that will use for the rest of my life. Thank you, sponsors, for providing this opportunity to FFA members across the state of South Dakota!" said State FFA President, Dalton Larson, from West Central.

When students join the FFA, they typically purchase or borrow jackets to compete in the many Career Development Events offered through FFA. The jacket is their team "uniform" to be worn at all official FFA events. The blue corduroy FFA jacket has been the status symbol of the national FFA organization since 1933, when delegates to the national convention voted to make the jacket part of the organization's official attire, thus creating the long standing tradition.

Individuals and businesses interested in sponsoring an FFA jacket for a SD FFA member should contact Gerri Ann Eide, SD FFA Foundation Executive Director at 605-765-4865 or gerri@sdfoundation.org. Sponsorships are \$75 per jacket.

The SD FFA Foundation is proud to support Agricultural Education and the FFA's mission to make a difference in the lives of students by developing their potential for *premier leadership, personal growth* and *career success* through agricultural education.
